Wake to favourite CD track

Wake up to CD player, radio or buzzer
Gives you the choice of waking up to your favourite CD, radio station or alarm buzzer.

Dual alarm
Two alarms that can be set independently with the choice of waking up to your favourite music from the CD player, cassette player, radio station, or from the buzzer.

Large LCD with brightness control

Two colour LCD display for current time and alarm time

Alarm time display

Gentle wake
When you wake up with the buzzer, radio or CD alarm, the volume will increase gradually which ensures you will have a gentle and certain wake. The minimum and maximum alarm volume can be set to your requirements.

Wide angle stereo

24 hour alarm reset
Automatically resets the alarm for the same time on the next day, so you don’t have to keep manually resetting the alarm.

AM/FM radio

Sleep timer

Self-powered back-up
